If you want to set up a room and invite EPA folks that might be useful so they are all in the same room, but I am remote today. Please do whatever you prefer. Thanks

Laurianne -

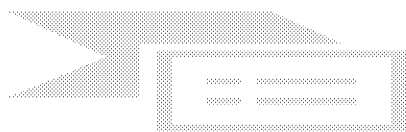

I'm not sure if Doug can make it at this time and he is currently away from his desk. He has something on his calendar from 1:30 to 3:00, but may be able to step away for the call. Let me check with him and I'll get back with you. Otherwise, 11:00 on the 4th would work better.

Hi Nelson Tunnel team

ECEJ management would like to schedule a quick call to discuss a possible press release for the CoCa settlement. I've shared the teams concerns regarding the settlement but we would like to have another discussion regarding the pros/cons for issuing a press release.

This is the only time I could find this week that works for all of your schedules.

Wendy/Jason, I do not have access to your calendars but I'm hoping this time will work.

If this time does not work, please suggest other blocks of time this week or I will have a separate/follow up call with you all.

I found another opening on Monday, April 4th at 11:00, but the sooner we can discuss this the better.

Thanks in advance
